University of Tennessee Medical Center

Program Officials and Faculty

Medical Advisor / Director

Lisa D. Duncan, MD

Undergraduate
BS (Biology), East Tennessee State University, Johnson City, TN
Medical School
James H. Quillen College of Medicine, Johnson City, TN
Internship
Pathology, East Tennessee State University, Johnson City, TN
Residency
Anatomic and Clinical Pathology, University of Tennessee Medical Center, Knoxville, TN
Fellowship
Cytopathology, University of Tennessee Medical Center, Knoxville, TN
Board Certification
American Board of Pathology (Anatomic and Clinical Pathology), September 2001
American Board of Pathology (Cytopathology), September 2004
Society Memberships
American Medical Association
College of American Pathologists
American Society of Clinical Pathologists
Tennessee Medical Association
Tennessee Society of Pathologists

Program Director

LeeAnne Briggs, MPH, MLS(ASCP)^{CM}

BA (Medical Technology), University of Tennessee, Knoxville, TN
MPH (Administration and Health Planning), University of Tennessee, Knoxville, TN
Graduate – UT Medical Center CLS Program
Board Certification
American Society of Clinical Pathology: Medical Laboratory Scientist - MLS(ASCP)
Professional Memberships
American Society of Clinical Pathologists – Associate member
American Society of Clinical Laboratory Science
Instructor: CLS101, CLS420, CLS430, CLS470, CLS480

Program Faculty

Kimberly Bailey, B.S., MT(ASCP)SI
BA (Medical Technology), University of Tennessee, Knoxville, TN
Graduate – UT Medical Center CLS Program
ASCP Certification – Specialist in Immunology
Lead Technologist, Immunology
Instructor: CLS450

Mark Cole, B.A., MT(ASCP)SM
BA (Medical Technology), University of Tennessee, Knoxville, TN
Graduate – UT Medical Center CLS Program
ASCP Certification – Specialist in Microbiology
Microbiology Manager
Instructor: CLS410, CLS411

Ricardo Gracia, B.S. MT(ASCP)
BS (Medical Technology), University of Virginia, Charlottesville, VA
Graduate - UT Medical Center CLS Program
University of Tennessee - Biotechnology
Medical Technologist – Immunology Section
Laboratory Safety Officer
Instructor: CLS470, CLS 420

Ann Gehl, B.S. MT(ASCP)
BS (Medical Technology), Indiana University, Indianapolis, IN
Graduate – UI Medical Technology Program
ASCP Certification
Medical Technologist – Immunology Section
Instructor: CLS450

Patricia Green, B.A., MT(ASCP)SBB
BA (Medical Technology), University of Tennessee, Knoxville, TN
Graduate – UT Medical Center CLS Program
Supervisor, Immunohematology Department
ASCP Certification - Specialist in Blood Bank
Instructor: CLS440, CLS441

Debbie Headrick, B.S., MT(ASCP)
BA (Medical Technology), University of Tennessee, Knoxville, TN
Graduate – UT Medical Center CLS Program
Point-of-Care Coordinator
Instructor: Point-of-Care

Pat Pittman, B.A., MT(ASCP)
BA (Medical Technology), University of Tennessee, Knoxville, TN
Graduate – UT Medical Center CLS Program
ASCP Certification
Hematology Instructor: CLS431

Karla Matteson, PhD.
Karla J. Matteson, PhD, FACMG
Education
Marquette University, Milwaukee, WI - M.S.
Medical College of Wisconsin, Milwaukee, WI - Ph.D. (Biochemistry),1981
Fellow, Baylor College of Medicine, Department of Pediatrics
Special Interests
Medical Genetics

Professor, Pathology and Medicine
Division of Medical Genetics
Co-Director, UT Genetic Center
Director, Biochemical and Molecular Genetics Laboratory
Instructor, CLS450
