The chaplains of the Pastoral Care program at The University of Tennessee Medical Center are dedicated to the service of our patients and their families, bridging the physical needs with spiritual and emotional well-being through support, counsel and comfort in times of crisis and hardship. Each year, our chaplains serve tens of thousands of individuals during their time at the medical center; however this is not their only role. There is also a deep commitment to all of our community. Our Pastoral Care program extends well into our Knoxville and East Tennessee neighborhoods by providing training to local clergy, educating Pastoral Care residents and conducting outreach programs. Compassion is the heart of the Pastoral Care program as they provide support and counseling to those patients and families in need.

Your tribute gift to the Lights of Love program will not only shine a light for your loved one, but it will provide valuable resources for the Pastoral Care program and the patients and families they are dedicated to serving. Thank you for your gift and thank you for your compassion to those we serve.

Lights of Love

Honor or remember someone special
with a gift that shines!

A Holiday Tradition...

A Holiday tradition...

The Pastoral Care program at The University of Tennessee Medical Center is pleased to announce the 2nd annual Lights of Love.

Lights of Love is a year-round program that provides a special way:

- To honor or remember a loved one
- To recognize a holiday or other special event
- To say “thank you” for medical care received at the hospital
- To give a special holiday gift

All donations support the Pastoral Care program and their important work providing emotional and spiritual guidance to the patients, families and staff at The University of Tennessee Medical Center.

We invite you to participate by giving a light to be placed on the Lights of Love trees throughout the Healing Garden at the medical center (located adjacent to the hospital’s cafeteria). You can give a light for a minimum donation of \$15. Names of honorees and those giving in their name will be listed in the Lights of Love Remembrance Book on the medical center website. Your special gift will come to “light,” during an Illumination Ceremony on November 19th in the Healing Garden. We invite you, your family and honoree to attend this special occasion. To contribute to Lights of Love, please complete and return the attached form or complete online at www.utmedicalcenter.org and select Make a Gift. All gifts are tax deductible and will be acknowledged to the donor and recipient.

Honor or remember someone special with a gift that shines!

“The chaplains of the Pastoral Care program were pivotal to my recovery and a source of comfort for my family during my 5-month stay at the University of Tennessee Medical Center after a near-fatal car accident. They prayed with my family, gave support when challenges would arise, and were always there when you needed. The chaplains, along with family and friends, were our strength during this long journey of healing.”

- Walter Adams

“I greatly value the Pastoral Care program because it comforts and cares for patients and families during times of deepest distress.”

- Rev. Martha Anne Fairchild

“As a physician at the UT Medical Center, I have had the great fortune to work with, watch and benefit from the ministers in our pastoral care program. In addition to ministering to patients and their families, pastoral care chaplains also attend to the needs of our medical staff. Our chaplains are truly a group of individuals who make all the difference in the world to so many of us.”

— John Neff, M.D.
