AUTHORIZATION TO RELEASE INFORMATION AND PAY BENEFITS TO PHYSICIAN: I hereby authorize the physician to release any information acquired in the course of my treatment necessary to process insurance claims. UT Urogynecology Insurance Payment Policy

Thank you for choosing UT Urogynecology. We are committed to providing you with quality and affordable healthcare. Because some of our patients have had questions regarding patient and insurance responsibility for services rendered, we have developed this payment policy. Please read it, ask us any questions you may have, and sign in the space provided. A copy of this can be provided to you upon request.

1. **Insurance Plans.** We are providers with Medicare, most Aetna plans, Beech Street, Blue Cross/Blue Shield, Blue Care, Champus-military only, Cigna, the Initial Group, Humana, Americhoice Tenncare, and United Health. We are **not** insured with UHC Secure Horizon. If you are not insured by a plan we do business with, payment in full is expected at each visit. If you are insured by a plan we do business with, but do not have an up to date insurance card, payment in full is required until we are provided with a current copy of your insurance information. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions that you may have regarding your coverage.
2. **Co-payments.** All co-payments must be paid in full at the time of service. This arrangement is part of your contract with your insurance company. Please help us in upholding your agreement by paying your co-payment at each visit.
3. **Non-Covered Services.** Please be aware that some of the services you receive may be non-covered or not considered reasonable or necessary by your insurance, even though your physician feels that it is necessary. Our office will file each visit to your insurance company. If they deem that something is not reasonable or necessary, we ask that you submit payment for that item immediately.
4. **Proof of Insurance.** All patients must complete our patient information form before seeing a physician. We will also ask that you complete this form once a year. We must obtain a copy of your current valid insurance card to provide proof of insurance. If you fail to provide us with the correct information in a timely manner, you may be responsible for the balance of the claim.
5. **Claim submission.** We will submit your claims and assist you in any way we can to help get your claim paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. We will pre-collect any expected coinsurance or deductibles prior to scheduling surgeries and procedures. Your insurance benefit is a contract between you and your insurance company. If your insurance company does not pay your claim in 45 days, the balance will automatically be billed to you. If you have Medicare, we will bill you any money's owed after we have received payment from Medicare and/or a secondary policy that you might have.
6. **Coverage Changes.** If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. We will also need to have a copy of your new insurance card.
7. **Non-Payment.** If your account is over 90 days past due, you will receive a letter from our billing department. Partial payments are accepted as long as you call them directly to set up the necessary payment plan. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency.

Our practice is committed to providing the best treatment to our patients. Thank you for understanding our payment policy. Please let us know if you have any questions or concerns.

I have read and understand the payment policy and agree to abide by all guidelines:
