

## Application Checklist

Students applying for admission into the University of Tennessee Medical Center medical laboratory science program must submit an application and all required documents to be eligible for an interview with the admissions committee and acceptance into the program.

A complete application file must contain all of the following:

- Completed MLS program application form (3 pages)
- List of all courses in progress or planned to complete before beginning the program
- Essay addressing questions on the application
- Official transcripts from all colleges and universities attended
- Three letters of recommendation (two science and one non-science) With the approval of the program director, one letter may be from an employer
- Signed "Essential functions" form documenting the ability of the student to perform all listed functions
- Submission of \$25.00 nonrefundable application fee
- Active undergraduate at University of Tennessee (3+1 students only)
