

# COMMUNITY IMPACT

## A Glimpse of your Generosity

Throughout 2021, we continued navigating the pandemic, yet one thing remained constant – gratitude for our generous donors. Your giving continues to impact the lives of our patients and the communities we serve. In 2021, your philanthropic contributions helped fund more than \$13.6 million in research, education, equipment, and program-related funds at The University of Tennessee Medical Center and this number tells an inspiring story. Here are some **highlights** of the impact from your generous gifts. **You** help us better our mission to serve through healing, education and discovery.
